ANTIOCH UNIFIED SCHOOL DISTRICT

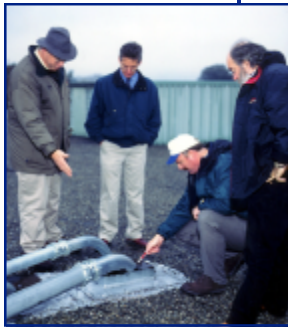

Size: 235,000 Square Feet

Location: Antioch, California

Challenge *Constantly Leaking Roofs*

- Widespread leak problems.
- Mounting re-roofing costs.
- Short roof life-cycles.
- Budget constraints.

Solution *AcryShield® SPF Roofing Systems*

- No more leaks.
- Energy savings.
- Longer lasting roofs.
- Lower roof maintenance costs.

Antioch USD is no longer doing “crisis roofing” and now enjoys lower maintenance and energy costs along with their longer lasting roofs.
