CATELLUS COMMERCIAL GROUP

Size: 90,000 Square Feet

Location: Tustin, California

Challenge *Aged BUR Capsheet Roofs*

- Sensitive Biotech tenant.
- Clean rooms requiring leak-free roof.
- Air-conditioned low-rise office/lab space.

Solution *AcryPly® Roofing System*

- No disruptive tear-off.
- Reinforced seamless system to improve waterproofing.
- 50°F cooler peak roof surface temperatures.
- Improved energy efficiency.

The Catellus Commercial Group has sustainable roofs that reduce building temperatures and provide excellent waterproofing.
