# Jones Lang LaSalle MERCANTILE

*Size: 250,000 Square Feet*

*Location: Rancho Cordova, California*

## Challenge

- Numerous Leaks.
- Sealant and Flashing degradation at walls and equipment.
- Significant Capsheet granulation loss.

## Solution *AcryShield® Restoration System*

- Local, customized reinforcement.
- Protection against further UV and heat damage.
- Improved building comfort for tenants.

*Jones Lang LaSalle strategically employed AcryShield Restoration Systems to solve mounting roof problems and avoid big re-roofing costs.*
