

### **National Coatings Makes Building Magazine's Top 100 Product List of 2009**

National Coatings Corporation (NCC) has been named one of the top 100 products for innovation, functionality, efficiency, and environmental friendliness by "Buildings" magazine.

Camarillo, CA June 23, 2009 -- National Coatings, [www.nationalcoatings.com](http://www.nationalcoatings.com), a leading manufacturer and supplier of premium-quality elastomeric roof coatings was selected as one of Building Magazine's Editor's Choice – Top Product Picks. The editor's sorted through numerous products in the building construction industry and found AcryShield® Roof Management ARM Systems can be installed directly over your existing roof and are a cost-effective way to extend the life of your roof, Building Magazine's article also states "The [ARM] system offers energy savings, reduced maintenance, and greater comfort and productivity." National Coatings AcryShield Roof System was chosen for its seamless membranes and worry-free weather-proofing.

This is one more achievement for National Coatings to have accomplished towards their goal of producing high-performing, innovative breakthrough products for the roofing industry.
