

NATIONAL COATINGS CORPORATION

FPL APPROVED ROOF PRODUCTS

Florida Power and Light (FPL) approved roof products save money and energy by reducing the amount of air conditioning needed to keep a building comfortable. Roof products that meet or exceed solar reflectance, without compromising product quality and performance, qualify for FPL approval.

The table below shows FPL approved roof products manufactured by National Coatings Corporation:

Solar Reflectance

NCC Product	Color	Installed	Warranty
AcryShield® A400	White	0.83	5-20 years
AcryShield A420	White	0.83	5-20 years
AcryShield A500	White	0.83	5-20 years
